5 Q Okay. At any point will QVC assign
6 different sku numbers to the same product?
7 A I don't know how to answer that
8 question. Yes and no. Yes, we will assign
9 different item numbers to the same product if
10 it's bought through two different vendors.

17 Q If you look at Exhibit-Z1 in front
18 of you right now, do you recall which sku
19 number that you purchased from Interworks?

20 A T34604.

21 Q And looking at the sku numbers
22 assigned to products purchased from Digital
23 Gadgets, are you able to tell me which one is
24 the -- which one corresponds to the one you

4 Do you know if those
5 Hoverboards are still being sold by QVC?

6 A They are not.

7 Q They are not. Do you know when they
8 stopped being sold by QVC?

9 A I don't know when they stopped being
10 sold. Whenever the inventory sold out.

11 Q So this product sold until the
12 inventory sold out?

13 A Correct.

14 Q Do you know approximately how many
15 units of the item bearing T34764 were sold?

16 A I do not know.

17 Q At any period of time did QVC stop
18 selling the Hoverboards bearing sku number
19 T34674? I'm sorry, strike that. At any
20 period of time did QVC stop selling the
21 Hoverboards bearing sku number T34764?

22 A Only once the product was sold out.
23 There was no other pause in the sale of the
24 product.

BY MR. BEHNAM:

5

6

7

Q All right. As far as you know, were
the Hoverboards bearing sku numbers T34604 and
T34764 the same product?

8

A Yes.

9

10

Q So if you don't mind, tell me why
these products have different sku numbers?

11

12

13

14

15

16

17

18

19

20

A When we purchased the product from
Interworks under T34604, the product sold out,
came into our warehouse and sold out of
inventory. The Interworks team could not get
the product back to our warehouse fast enough
so they sold the product to Digital Gadgets
which is why we had to create a second number
because it was under a different vendor ID and
Digital Gadgets drop shipped the product
directly to the customer.

21

22

Q Just because it had a different
vendor ID, it required a new sku number?

23

A Yes.

24

Q But otherwise, these products were

35

1 identical as far as you knew?

2 A As far as I knew, yes.

17 Q Okay. Do you know why sometime in
18 the fall of 2016 QVC began purchasing that
19 item from Digital Gadgets as opposed to
20 Interworks?

21 A Interworks had the product. They
22 couldn't deliver it in time to the QVC
23 warehouse before the holidays and Digital
24 Gadgets was able to buy the inventory and drop
